## **FormFactor Provides Business Update for the Fiscal Quarter Ending March 28, 2020**

### *Shelter-in-Place Orders Impacting Production in Livermore and San Jose Facilities*

LIVERMORE, CA – (Globe Newswire – March 17, 2020) –FormFactor, Inc. (NASDAQ:FORM) is providing the following business update:

On March 16, 2020, multiple Bay Area counties in California issued “shelter-in-place” orders (“Orders”). We are complying with the Orders by temporarily ceasing on-site manufacturing at our Livermore and San Jose facilities effective March 17, 2020. This will impact the Company’s manufacturing of certain products, and therefore may impact our ability to meet our fiscal first quarter 2020 financial outlook as previously communicated. We are also closely monitoring impacts to our supply chain which may result from these Orders and other developments globally. Our first quarter 2020 financial outlook was communicated on February 5, 2020 based upon information available as of that time. As a result of the disruption and uncertainty following the Orders, the Company is withdrawing its fiscal first quarter 2020 financial outlook.

Our top priority remains the health and safety of our employees, partners and communities. We intend to provide additional information in the context of this rapidly evolving situation as part of our next earnings call or before.
