**Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

On June 3, 2008, FormFactor, Inc. ("FormFactor") announced that its board of directors has appointed Mario Ruscev, currently president, as its next chief executive officer (CEO). Dr. Ruscev will succeed Igor Y. Khandros, FormFactor's founder, who will become Executive Chairman of the FormFactor board of directors. Dr. Khandros will succeed Jim Prestridge, 76, its current non-executive chairman, who will continue on the FormFactor board of directors and become its lead independent director. The changes will become effective at the beginning of FormFactor's fiscal third quarter of 2008.

Dr. Ruscev, age 51, has served as president and a member of the board of directors since joining FormFactor in January 2008. Dr. Ruscev served from April 2006 to December 2007 as President of Testing Schlumberger Oilfield Services of Schlumberger Limited, a services company supplying technology, project management and information solutions for optimizing performance in the oil and gas industry. He also held several other executive positions at Schlumberger during his 23-year career with that company, including President of Schlumberger Water and Carbon Services from April 2002 to March 2006, President of Wireline Schlumberger Oilfield Services from January 2001 to March 2002 and President of Geco-Prakla Schlumberger Oilfield Services from April 1999 to December 2000. Dr. Ruscev received a Doctorate in nuclear physics from Université, Pierre et Marie Curie in Paris, France and a Ph.D. in nuclear physics from Yale University.

## FormFactor Board Appoints Mario Ruscev FormFactor CEO

### *Current CEO Igor Khandros to become FormFactor Executive Chairman*

**LIVERMORE, Calif. — June 3, 2008** — FormFactor, Inc. (Nasdaq: FORM) today announced that its board of directors has appointed Mario Ruscev, currently president, as its next chief executive officer (CEO). Ruscev, 51, will succeed Igor Khandros, 53, FormFactor's founder, who will become Executive Chairman of the FormFactor board of directors. Khandros will succeed Jim Prestridge, 76, its current chairman, who will remain on the FormFactor board of directors and become its lead independent director. The changes will become effective at the beginning of the company's fiscal third quarter of 2008.

"The FormFactor board of directors is confident that Mario and Igor are the right team to lead the company through its next stages of growth," said Jim Prestridge, FormFactor's chairman. "Mario is an unusually capable operating executive who has a proven track record of driving revenue growth, product innovation and development and market introductions. Igor is an incredible visionary who has a wealth of knowledge about the industry and technology and will play a key role in shaping the long term strategic direction of the company."

### **About FormFactor:**

Founded in 1993, FormFactor, Inc. (Nasdaq: FORM) is the leader in advanced wafer probe cards, which are used by semiconductor manufacturers to electrically test integrated circuits, or ICs. The company's wafer sort, burn-in and device performance testing products move IC testing upstream from post-packaging to the wafer level, enabling semiconductor manufacturers to lower their overall production costs, improve yields, and bring next-generation devices to market. FormFactor is headquartered in Livermore, California with operations in Europe, Asia and North America. For more information, visit the company's website at [www.formfactor.com](http://www.formfactor.com).
